

EBEN/ELLEGE AWARD

This award will be a full tuition scholarship, worth approximately \$5000 for FY 2007 (next fall and spring semester) to an outstanding biology graduate student.

- All graduate students in thesis or dissertation requiring programs are eligible.
- The award will be based on merit, that includes demonstration of excellence and proven (as in publications) research potential.
- Application should include a current CV, emphasizing scholarly accomplishments, two letters of reference/recommendation, and unofficial graduate transcripts.
- Completed application must be sent to Dr. Dittmar Han (SUPP 316).
- Deadline: March 23, 2007
