

RUSSELL AND RUTH STRANDTMANN FIELD BIOLOGY AWARD

To honor late Dr. Russell W. Strandtman and his wife, Ruth Strandtmann. They established a field biology development fund in their names for the purpose of supporting undergraduate research projects in the areas of whole organism taxonomy, systematics, life history studies and ecology.

- Awards may be made to full-time (12 or more hours) undergraduate students who have earned at least 90 semester hours toward a Biology degree while enrolled at Texas State and who have demonstrated a commitment to pursuing advanced studies in the biological sciences.
- Applicants must submit an application form which can be obtained at biology office (SUPP 384).
- Deadline: March 23, 2007
