Joan Austin Memorial Scholarship

Application due: March 31st at 5:00 p.m.

This award supports students majoring in the College of Science who have a minimum Texas State University GPA of 3.00 and who provide evidence of financial need. Your proof of financial need should include your Student Aid Report (SAR.)

The amount of the award is a minimum of $250 per long semester.

The period of the award will be for one or two long semesters, depending on funds available and academic performance.

Awards are announced in the Spring for the following Academic Year.

Students can not receive this scholarship more than one time.

Recipients must maintain a Texas State GPA of 3.00 to renew their award for the following long semester, if funds are determined to be available.

Submit all Application Material to The College of Science Advising Center, Centennial Hall Room 202.
